### Colorado Work Incentives Coordinators

Are you receiving social security benefits (SSI or SSDI) and would like to return to work, or start work for the first time? Do you have questions about how working will affect your social security benefits? Colorado Community Work Incentives Coordinators are available to explain employment support programs to assist you in making informed decisions about your SSA benefits and working.

You may contact Julie Taylor, Southeast Colorado Work Incentives Coordinator at 719-250-0686 (Pueblo)
