

# 5TH NATIONAL ORGANIZATIONAL CHANGE FORUM

## ★ FORUM GOAL:

Support the development of **system change** and individual supports that expand **community-based employment** opportunities and focus resources on integrated **customized** employment.

## ★ AREAS OF FOCUS:

- Management and leadership for community providers
- State and federal policy and strategy
- Supporting individuals with significant barriers to employment
- Transition from school to career

## ★ WHO SHOULD ATTEND:

Advocates, persons with disabilities who receive services, employment support providers, state agency personnel and others committed to integrated employment as a primary outcome for individuals receiving government funded support.

Mark your calendars **now** so you don't miss the next National Forum dedicated solely to Organizational Change and expanding community-based employment opportunities.

Be a part of the most progressive movement in leadership, systems change, customized employment, community based services and supports.

Learn from and participate with leaders in supported and customized employment.

Hosted by the National O.C. Planning Committee:
