Community Rehabilitation Programs and Organizational Change: A Mentor Guide to Increase Customized Employment Outcomes

\$29.99

This Mentor Guide was developed based on the experiences of the T-TAP mentors and project staff as they provided technical assistance and training to providers that applied for and were awarded assistance from T-TAP. The purpose is to provide information to CRPs on how to approach organizational change designed to improve employment outcomes.

Customized Employment Q&A Fact Sheets Booklet

\$19.99

This booklet contains 15 full color fact sheets on Customized Employment topics such as employment negotiations, disclosure, employment supports, parental concerns, assistive technology, funding, community partnerships, organizational change, and staff development. In an easy to read format, the fact sheets provide a good overview of these topics with additional resources.

CD -- Self-Employment for Individuals with Disabilities

\$24.95

This CD provides the viewer with information on self-employment for individuals with disabilities. The CD contains audio and video presentations, fact sheets, related web links, and important contact information. Topics include:

- Self-Employment for Individuals with Disabilities
- Using Work Incentives to Fund Micro Enterprises
- Developing a Business Plan
- Self-Employment as a Customized Employment Outcome

CD -- Creating Customized Employment Opportunities for Individuals with Disabilities

\$24.95

This CD contains video and audio presentations on Customized Employment. The presentations include handouts, PowerPoint, other resources. In addition, there are fact sheets and related web links. This CD is a great tool for staff and new hires on the following topics:

- Customized Employment Strategies
- Job Negotiation
- Partnering with One-Stops
- Customized Employment for Individuals with Significant Disabilities

CD Set -- Promoting Organizational Change

\$24.95

This CD set provides information on strategies for successful organizational change, moving from facility-based services to community employment outcomes for individuals with disabilities. Presenters share their real-life experiences of successes and barriers to organizational change and increasing participation in competitive employment. The set includes audio interviews, video presentations, fact sheets, web links, and contact information.

CD -- Working with Parents

\$24.95

This CD provides the viewer with information to assist families when preparing their sons or daughters with disabilities to work in their local communities. The multimedia CD contains audio interviews with Dale Dutton, a parent, and Suzanne Hutcheson, a T-TAP Community Rehabilitation Provider Leader. There is also a video presentation by the Dutton family highlighting Dusty Dutton's puppet business. In addition, the CD includes fact sheets, useful web links, and important contact information.
